Dear Paul:

Many thanks for your help to me in preparing the enclosed paper on the Hungarian Revolution. With all you have to read, I doubt whether you want to do more than scan it, but may be Dick Lehman or others in your section might be interested.

Finally, I would appreciate your routing it to Walter Pforzheimer, with hopes he might persuade his successor to put it in the Agency's historical library.

With all good wishes,

Sincerely,

Robert Amory, Jr.
Secretary and General
Counsel
